

REAL TOGETHER CO.,LTD
WE MAKE PROFIT TOGETHER

Real Together Company Limited is full of experienced personnel in retailing industry. Until now, the company has been a consultant for several successful projects including shopping malls, and plot retailing; The company also seeks space for exclusive to periodic exponential expansion. This may be a tough task; nonetheless, with well-experienced working teams and systematic procedure, the company could accomplish its target as well as in timely manner.

Nowadays, numbers of shopping mall and new-born development are not significant as it should be due to many reasons including high competition, retail-wholesale law and high investing requirement. That makes retailing businesses continuously expand. For an example, shop houses are used for branching expansion.

About Us

Therefore, Real Together Company could foresee these needs in retailing industry; we have developed capability to support over searching land for branching. We have well-experienced teams who are capable of outstanding performance. An distinct example is surveying and selecting shop house for 70 branches of Pizza Hut Delivery (for shop house branches only)

STAR PLAZA

A close-up photograph of a hand holding a smartphone. The phone's screen shows a high-angle, wide-angle shot of a city, likely New York City, with a river and numerous skyscrapers. The phone's status bar at the top right shows a battery icon, signal strength, and the text 'WDR OFF'. The background is blurred, showing a cityscape under a blue sky.
